OUR MOTTO:
Time to be WISE,
time to be TOGETHER!

OUR MISSION

1

To raise the younger generation to be physically strong, healthy, and worthy citizens of their country.

2

To provide talented athletes with the opportunity to realize their potential on the professional tatami.

3

To build one of the best sports organizations in the world, whose success is based on the professionalism of its staff, a scientific approach to youth development, and the use of innovative technologies in the sports industry and education.

The International Union "Kyokushin Profi" is:

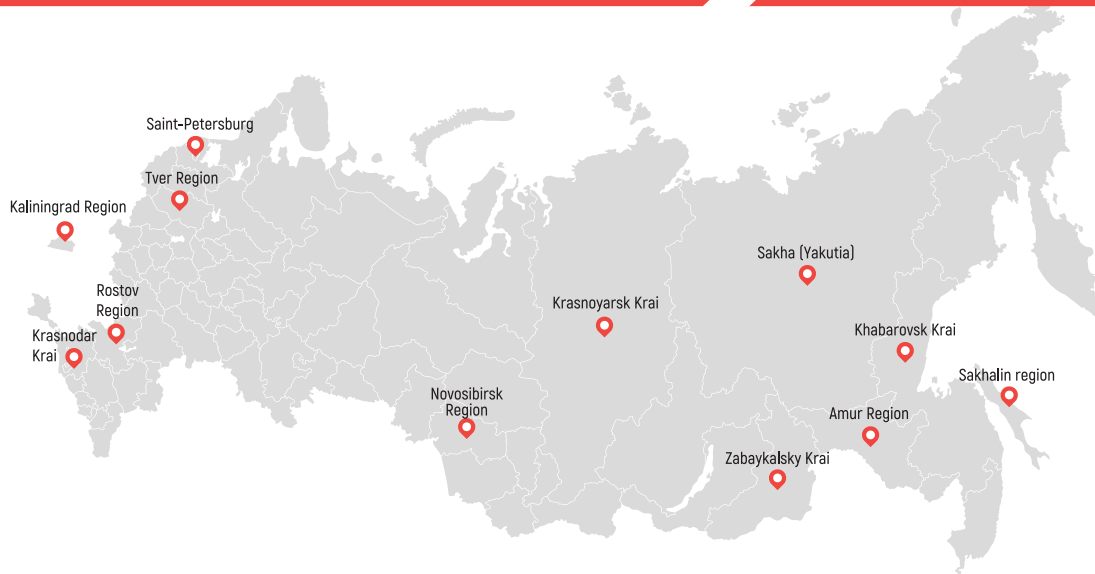

- ▶ an association of professionals who have been working for over 30 years for the development of well-rounded individuals. Our students achieve success not only in sports, but in life as well.
- ▶ a clearly structured system for the development of martial arts — from youth training to professional sport.
- ▶ a cohesive team that enables us to grow successfully not only in Russia, but worldwide.

We invite you to become a part of the International Union "Kyokushin Profi" in order to achieve the set goals through joint efforts.

WE IN NUMBERS
