## Our Ideology

1. We use modern clean sports technologies to develop physical abilities of students.
2. We apply advanced pedagogical techniques to develop students' intellectual and spiritual abilities.
3. We create conditions for coach-instructors, which will contribute to the favourable development of their pedagogical and sports skills.
4. We follow Dōjō kun ideology.  
We develop in students such qualities as: tolerance, respect for elders, abstaining from violence, respect for all nations and religions.
5. We ensure stability of high sports results in the All-Russian and International official sports events.
6. We create a professional platform for Kumite students according to the Kyokushin Profi rules.
