OUR PARTNERS AND EVENTS SPONSORS ABOUT US

Maria, CEO of the Sports Complex "Activity Hall"

Last year (2022), the International Union "Kyokushin Profi" held the International Cup of Fellowship in our Activity Hall. Our sports complex acted as a sponsor of this event. We were pleasantly surprised by the approach to organizing the event. Everything was thought out to the smallest detail! Your tournament gave publicity to our hall. Holding an event of this magnitude with competent promotion undoubtedly influenced the recognition and popularity of our arena.

We were also very glad to make new acquaintances, because the heads of various federations from all over Russia attended this event, and we were personally introduced to them.

We remember your tournament with warmth and gratitude, and we are ready for new cooperation. Thank you for choosing our venue for such an important and large-scale competition.

Vladimir, Director of online store "Onekickshop"

Our store opened in 2021, and in 2022 we decided to become sponsors of the International Cup of Fellowship. We hoped that it would help us promote the store and increase sales. The result exceeded our expectations! The way the employees of the Union organized the partnership is amazing! At the event, we held joint contests and drawings, our logo and name appeared everywhere.

The funds invested in the events have brought tangible results, and basically we are proud of our involvement in such a large-scale event and organization and continue our fruitful cooperation.
